1-A APPLICABLE REGULATIONS

Statement of compliance with Regulation (EC) N.1907/2006 (REACH)
With specific reference to Regulation (EC) N.1907/2006 and further amendments (REACH), art. 3(3), cosmetic packagings produced by Vetronaviglio S.r.l. are considered "articles".
Therefore, with specific reference to REACH art. 33, we hereby declare that none of the products listed in the chart above contains any substance included in REACH Annex XIV, as defined by REACH art. 57, or included in the "Candidate list" published by ECHA (Substances of Very High Concern - SVHC), in concentration exceeding 0.1% (weight/weight), as defined by REACH art. 59 (1), and in conformity to REACH art. 59 (10).
Please note that, in accordance to both the Regulation (EC) N.1907/2006 (REACH) and the Regulation (EC) N.1272/2008 (CLP), Vetronaviglio S.r.l. is not a supplier of substances nor preparations, and is therefore not required to send MSDSs to their customers.

Statement of compliance with European Parliament and Council Directive N.94/62/EC
We hereby declare that our products meet the requirements stated by European Directive 94/62/EC "on packaging and packaging waste", including further amendments. In particular, the levels of heavy metals in our products are within the range of 100 ppm (w/w), in compliance to Dir. 94/62/EC art. 11.

Statement of compliance according to CE Cosmetics Regulation N.1223/2009
Vetronaviglio S.r.l. confirms that the above articles and/or components do not contain substances listed in Annex II (banned substances) and Annex III (under restriction substances) of CE Cosmetics Regulation N. 1223/2009. The materials used do not contain significant impurities, and, to our knowledge, our products do not present phenomena of migration of chemicals when they come into contact with their contents. However, we recommend our customers to perform the tests which apply to their formulations.

Statement of compliance to GMPs (Regulation N.2023/2006/EC)
Vetronaviglio S.r.l. confirms that the above articles and/or components are manufactured in compliance with good manufacturing practices (GMP). Such GMPs are those described by the CE Regulation N.2023/2006 for food packaging, which comprises a quality assurance and control system, dedicated process design and equipment, documentation and appropriate qualification of staff. Vetronaviglio S.r.l. applies these GMPs to all stages of manufacturing, processing and distribution of its products.

Statement of compliance to Regulations and Directives on materials and articles intended to come into contact with food (Regulation (EC) N.1935/2004 and Regulation (EC) N.10/2011)
Vetronaviglio S.r.l. confirms that the raw materials used for the production of the above articles and/or components are in compliance with Regulation (EC) N.1935/2004 and Regulation (EC) N.10/2011.

1-B DISCLAIMER

According to the declarations of our suppliers, the raw materials we use are fully compliant with the above Regulations and Directives. We do not introduce any of the substances listed in the Regulations and Directives referenced above in our production processes. Vetronaviglio S.r.l. makes no warranties which extend beyond the information contained herein.

Vetronaviglio S.r.l.

1-C LABELLING (Applicable for Italy)

The Legislative Decree of 3 September 2020 makes labelling mandatory.
According to the Annexes of Decision 129/97/CE, the information on the label is:

- Alphanumeric Coding
- Family of material
- Collection information

This information changes for plastic, glass, wood, paper, aluminium packaging.

For coding of materials to be reported on packaging, see the guidelines at the following link:
https://www.etichetta-conai.com/documenti/linee-guida/

For this product, the pack coding is as follows:

Pack Coding	Collection type
SAN 7	Plastic
